### **Disability Waiver of Policy Charges Rider (AccumUL Answers, AccumUL Plus, GUL, GULE & IUL)**

Available to issue ages 18-55 with renewal ages 19-59. If the insured becomes disabled before the policy anniversary following the insured's 60th birthday and the disability continues for at least six months, this rider will waive payment of the monthly deduction amount (cost of insurance charges and expense charges) during the continuance of the disability, even if the disability extends beyond age 60.

### **Guaranteed Insurability Rider (AccumUL Answers, AccumUL Plus, GUL, GULE & IUL)**

This rider provides the insured the option to periodically increase the specified amount without additional underwriting. A specified amount increase between \$10,000 and \$50,000 may be elected at the time of issue and will remain constant for each election. Only one specified amount increase is allowed each year. The increase in the specified amount may be elected 90 days following: (a) marriage of the insured; (b) the birth of the insured's child; (c) the adoption of the insured's child; and (d) the 3rd policy

anniversary and every three years thereafter until the rider expires. The ability to increase the specified amount under item (d) will terminate if a specified amount increase is not exercised for five consecutive years. No increase will be allowed under this rider if the increase would cause the current specified amount to exceed 200 percent of the initial specified amount or \$1,000,000 (whichever is less). Any change in specified amount will affect the monthly no-lapse protection value test for the no-lapse protection. This means that the no-lapse protection may not be in effect if the specified amount is increased and additional premiums are not paid. This rider will terminate on the earliest of the following: (a) the policy anniversary date following the insured's 50th birthday; (b) the date the current specified amount is double the amount of the insured's initial specified amount; (c) the date the insured's current specified amount reaches \$1,000,000; or (d) the date the policy ends.

**Guaranteed Refund Option (GUL & IUL)**  
**(Available on Unisex policies)**

Enhanced Surrender Value Rider: This rider provides a refund of premiums paid upon a full surrender of the policy during a 60-day period following the 15th and 20th through 25th policy anniversary.

- Year 15 = 50 percent of the accumulated premium paid
- Years 20, 21, 22, 23, 24 & 25 = 100 percent of the accumulated premium paid

The refund of premiums paid will not exceed 50 percent of the death benefit and if exercised, the policyowner must surrender the policy. The refund of premiums is not available for loans or partial withdrawals. Minimum premium requirements must be maintained to keep the rider in force. If not executed, the rider terminates at the end of the 60-day period following the 25th policy anniversary.

For Life Protection Advantage, the GRO rider is not available for clients age 60 or above (regardless of risk class), for substandard or tobacco cases under age 50 or for substandard tables 5–16 at ages 50 and above. For Income Advantage and GUL, the GRO rider is not available for substandard or tobacco cases under age 50 or for substandard tables 5-16 at ages 50 and above.

**Lapse Guard<sup>SM</sup> Rider (AccumUL Answers, AccumUL Plus & IUL)**  
**(Available on Unisex policies)**

This is automatically attached to all issued policies with issue ages less than 76. The Lapse Guard rider is specifically designed to prevent policies from lapsing that have been over-funded and have had level disbursements taken for an extended period of time in retirement. Because exercise of this rider keeps the policy from lapsing, no policy loans will become taxable as income under current tax law. When the Lapse Guard rider is exercised, the accumulation value is reduced by 3 percent.

### **Living Benefit Riders (TLE Non-ROP only)**

Refer to the definition of Accelerated Death Benefit Riders (TLE only).

### **Other Insured Rider (TLA only)**

This term life insurance rider provides coverage for an Other Insured, which is any one person other than the Primary Insured. The premium, term duration and issue limits are the same as the Term Life policy based on the age and face amount of the Other Insured, but with no additional policy fee. Full underwriting is required.

### **Residential Damage Rider (TLE only)**

If the primary residence sustains \$25,000 or more of damage, this rider allows the premium for the base policy and all riders to be waived for one six-month period.

### **Waiver of Premium for Unemployment Rider (TLA & TLE only)**

This has a six-month benefit period, waiving premiums for the base plan and all riders if the insured becomes unemployed. The base plan must be in force for 24 months before unemployment begins. The elimination period is four continuous weeks of unemployment when the insured is receiving state or federal unemployment benefits. Proof of unemployment is required at the time of claim. This is a one-time waiver.

### **Waiver of Surrender Charges for Partial Withdrawals Rider (GUL & GULE only) (Available on Unisex policies)**

A portion of funds may be withdrawn with no surrender charges in event the insured is:

- Hospitalized or confined to a nursing home
- Unemployed and receiving unemployment benefits for at least 60 days
- Disabled and has been approved for Social Security disability benefits
